HAIR RENEWER

was the nert preparation, a feet yather core discusses of the sea, and the first in consider restorier of fady being reached to a natural color, growth and youthful beauty it has had many! I take the true further state and the proper treatment of the large of the proper treatment of the large of the face, and Marca Frant Reakers who has steed in a visit fareor, and spread its fame a lupid of the proper treatment of the large of the proper treatment of the large of the properties of the propert

The proprietors have ofter bee superal at the receipt of orders from remote utries, where they had never undersuleful of its introduction.

The use for a short time of HALL

The use for a short time of Hall's Hall REKKEMEN wonderfully improve the 1st social appearance if cleaness the sea of all impurities, curse all humors, fever audithees, and thus prevent bailines it stimulates the weakened glands and sub-bethem to push forward a new and eighout them to push forward a new and eighout growth. The affects of this article are not transient, like those of alcoholic prejent though but remain a long time, which makes its and matter of economy.

BUCKINGHAM'S DYE

Will change the heard to a natural brown applessing and it produces a permanent solve that will not wash away. Constituted, a single preparation, it is applied without trouble.
